Honourable Cindy Trautman Reeve of Camrose County 3755 – 43 Avenue Camrose, AB T4V 3S8

Dear Reeve and council:

The City of Camrose Library Board and staff thank you for continuing to fund our public library at a stable level.

As a front-line community service, we witness the impacts of these challenging economic conditions at the personal level. We strive to always provide the best possible return on the funds you invest in our library. We also strive to meet the evolving needs of our community as a whole and each individual we serve, whether through literacy development, broadband access, lifelong learning, exploring and troubleshooting technology, access to reading material in appropriate formats, and through safe and welcoming spaces.

When COVID-19 hit, the Camrose Public Library demonstrated our ability to adapt quickly to changing circumstances while continuing to offer as many services as possible to local parents, children, seniors, and the newly unemployed or underemployed as they coped with uncertainty, loss, and lock-down. When we had to close our doors to public access, we delivered information and entertainment by mail and through contactless curbside pickup. We adapted our in-person programs to online delivery and implemented "take-and-make" activity kits. Through Parkland Regional Library System, we increased digital content (books, audio, homework help) for 24/7 remote access and ensured our free wi-fi access extended to the library's perimeter so that people could connect without having to enter the library. Implementing appropriate safety measures, our staff continued to work to keep our citizens connected: to information, to learning resources, to entertainment, to employment resources, and to each other. We partnered locally and regionally to continue supporting our citizens.

Our board is aware that both municipal and provincial governments are facing economic challenges. We will continue to partner with you to support the financial well-being, mental health, and continued connection of our citizens and to maintain the vitality of City of Camrose.

Thank you for your ongoing financial support. We could not offer the range of services and supports we do without the municipal and provincial funding we receive and without the support of membership in Parkland Regional Library System.

Sincerely,

Elizabeth Luck, Chair of The City of Camrose Library Board

The Honourable Jason Kenny, MLA Premier of the Province of Alberta 3007 Legislature Building 10800 – 97 Avenue Edmonton, AB T5K 2B6

Dear Premier Kenny:

The City of Camrose Library Board thanks you for maintaining stable funding for public libraries in Budget 2021.

As a front-line community service organization, we witness the impacts of these challenging economic conditions on a personal level. We strive to always provide the best possible return on the funds invested in our library. We also strive to meet the evolving needs of our community and the individuals we serve, whether through literacy development, broadband access, lifelong learning, technology exploration, access to reading material in traditional and alternate formats, or through safe and welcoming spaces.

When COVID-19 hit, the Camrose Public Library demonstrated our ability to adapt quickly to changing circumstances while continuing to offer as many services as possible to parents, children, seniors, and the newly unemployed or underemployed as they coped with uncertainty, loss, and lock-down. We partnered locally and regionally to continue supporting our communities.

We are aware that both provincial and municipal governments are facing economic challenges. We will continue to be a partner with all levels of government to support the financial wellbeing, mental health, and continued connectivity of our citizens.

Thank you for your ongoing financial support. We could not offer the range of services and supports we do without stable and predictable provincial funding.

Sincerely,
Olar Allena

RE: Alberta Culture Days Grant Application

To whom it may concern,

On behalf of the Camrose Public Library, I am pleased to partner with the Bailey Theatre for the "Create a Splash" project for the Alberta Culture Days grant. We have appreciated the work that the Bailey Theatre has done for arts and culture in the Camrose community and we welcome the opportunity to work with them.

The library values the ability to foster connection and we assist people and organizations in forming relationships that create a supportive community. Alberta Culture Days is an exciting opportunity to partner with other groups in our community that we do not usually get to work with. We are an organization committed to free and equal access to information and programs, so we are grateful for the opportunity to work with a program that is free and is open to all ages and stages in Camrose!

Thank you for your time and consideration today. Sincerely,

Shannon Stolee
Adult Programmer, Camrose Public Library

Summer Reading Program - Hiring of Summer Students

Michelle Elliott – Intergeneration Programmer – started May 10, 2021. Funded by Seniors Health Science Community-Based Innovations for Dementia Grant.

Tristen Hansen - Books Bike Coordinator – started May 3 to August 20, 2021. Our project has been tentatively recommended for approval by Young Canada Works in Heritage Organizations pending the availability of supplemental funding through Canadian Council of Archives-Libraries.

Georgia Englot - Summer Program Facilitator – started May 3 to August 20, 2021. This position is partially funded by Canada Summer Jobs.

2020 Review Engagement

A draft 2020 Financial Statements prepared by Grant Thornton was forwarded to the Board for review and included in our May 18, 2021 board package to be passed at our May board meeting. The approved financial statements must be sent to Public Libraries Service Branch by the June 15, 2021 deadline.

Curbside Pickup

Curbside pickup is still very popular and with our van run book delivery days on Tuesdays and Friday those are our busiest days with patrons picking up their material. Every day we still hear how thankful patrons are the library is available for curbside service.

Exams and photocopying are popular and staff have been busy making sure our patrons are looked after and receiving these services when needed.

Curbside Pickup (continued)

Quarantining is now just 24 hours so material is checked-in and off the patrons record after one day of quarantining and the material is available sooner for other patrons.

Craft/Program kits is still very popular with families and our programmers are busy preparing kits on a regular basis.

Alberta Culture Days

Shannon Stolee, Adult Programmer, attended a meeting with staff from the Bailey Theatre and she has sent a letter of support to partner with the Bailey Theatre for the "Create a Splash" project for the Alberta Culture Days grant that will happen during the month of September 2021. Once we hear the grant was approved Shannon is pleased to partner with the Bailey Theatre to provide arts and culture in the Camrose Community.

Staff Professional Training

With the library's front doors closed and no public in the library staff have found some time to work on some training videos/webinars.

- Librarian's Guide to Homelessness (Core Training) 3 hours to complete Certificate of Completion
- Polaris for Beginners PRL webinar 2.5 hours (Refresher for staff)

For our summer staff Parkland Regional Library is hosting a Summer Reading Club brain storming virtual session on Tuesday, May 18.

Ongoing Programs:

A Book and A Bounce:

Our weekly Tuesday morning YouTube session for infants and their caregivers focused on spring, simple sign language, and finger plays.

QuaranTea Time:

I shared books about spring and bears for our weekly preschool programs.

Crafternoon:

Our weekly Thursday YouTube craft session offered tutorials on cardboard tube structures, pipe cleaner creatures, and CD hovercrafts.

Virtually Artistic (Via Zoom):

We created an ant hill cross-section using clay, paper, silk flowers, and an old CD case.

Alternative Programs and Services

Makerspace Kits:

Since news of our latest shutdown came the day we launched the Makerspace, I created two grab-and-go STEAM (Science, Technology, Engineering, Art, and Math) kits with some of the supplies we had on hand. They're pictured below and flew out the door, so I'm making another set of kits as I write this!

Shrexperience:

These kits were a hit and went quickly! We reached an estimated 222 people, as the kits themselves were built for families. I'm looking for another film to build an interactive home experience for since this one went over so well.

Subject Matters:

Our FRESH! April theme explored gardening, coffee, spring cleaning, and so many more fresh takes on things like literature and dance. The DIY Pizza Herb Garden kits went so quickly that I may do a similar kit for families this summer.

Upcoming Programs and Partnerships:

I'll be joining CFRC staff and families with infants for their Curious Cuties program, where I'll speak about library services and programs and share some early literacy and family literacy tips.

Action for Healthy Communities:

Our partnership opportunities with A4HC, who provide services and build community connections for Newcomers to Alberta and Canada, continues to grow! I created Shrexperience kits for a group of 20 kids. I'll be hosting a virtual library tour and tutorial on how to navigate our online catalogue for another youth group. This same group will be taking over our raised garden beds out front from this spring and summer.

FanFest:

I've been working with programming staff and Directors from Ponoka Jubilee, Sylvan Lake, Blackfalds, and Mary C. Moore (Lacombe) libraries to host a multi-day virtual convention for fans of all things geeky. There will be a cosplay contest, D&D sessions, lightsaber demos, panel discussions with guest speakers on topic like science fiction, comic books, and so much more!

Ponoka hosted their first in-person FanFest in 2019. It was a roaring success and they planned on repeating in 2020, but like so many other things, were forced to cancel due to COVID. They invited other libraries to join them for a virtual event this year; one of the silver linings of this pandemic is that working virtually has opened up new avenues for partnerships that may not have even been on the radar before.

Each library will be hosting one or two online sessions over 6 days from September 27 to October 2. I'm going to co-facilitate an online scavenger hunt using the Goosechase app, and have spoken with a friend who is an editor of a Canadian Science Fiction and Fantasy magazine about hosting a session on writing and publishing geeky short fiction. I'm also making a proposal to a few comic store owners I know in hopes of forming a panel discussion.

Summer Preschool and Infant Programming:

Now that we have Tristan and Georgia, they'll be taking over school-aged programs for the summer months. I'll be ending my pre-recorded preschool and infant programs at the end of June in favour of new, registered Zoom programs so that we can bring back a bit of social interaction to the mix. Registrants can pick up a package of materials, we'll share some stories and songs, and then do a craft or activity together.

To the Board of Trustees of The City of Camrose Library Board

Report on the financial statements

We have reviewed the accompanying financial statements of The City of Camrose Library Board that comprise the statement of financial position as at December 31, 2020, and the statements of operations, changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Independent Practitioner's Review **Engagement Report (continued)**

Basis for qualified conclusion

Note 3 indicates that the library accounts for the acquisition of tangible capital assets by recording them as an expense in the year of acquisition. Because of revenues in excess of \$500,000 per year in two consecutive years, this accounting policy is not in accordance with Canadian accounting standards for not-for-profit organizations. The effects of this departure from Canadian accounting standards for not-for-profit organizations on the unaudited financial statements have not been determined.

Qualified conclusion

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of The City of Camrose Library Board as at December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. Nature of operations

The City of Camrose Library Board's (the Library's) purpose is to encourage people of all ages to use Library materials and services and to encourage literacy. It accomplishes this by providing an excellent library service through collecting, maintaining, and making available quality print and non-print materials and by providing services that meet the expressed and perceived needs of the Camrose community and surrounding area. The Library is a registered charity under the Income Tax Act and is therefore exempt from income taxes.

2. Adoption of accounting policy

On January 1, 2020, the Organization adopted new accounting standards Section 4433 Tangible capital assets held by not-for-profit organizations and Section 4434 Intangible assets held by not-for-profit organizations (the "standards"). The most significant requirements include:

•tangible capital assets must be separated into their component parts, when practicable, and when estimates can be made of the lives of the separate components;

•tangible capital assets and intangible assets are written down to fair value or replacement cost to reflect partial impairments when conditions indicate that the assets no longer contribute to an organization's ability to provide goods and services, or that the value of future economic benefits or service potential associated with the tangible capital assets are less than their net carrying amounts; and

•additional disclosures when an impairment has occurred.

The adoption of the new accounting standards was applied prospectively. The adoption of these standards did not have any impact on the statement of financial position as at January 1, 2020 and the changes in financial position for the current period.

3. Impacts of COVID-19

The outbreak of a novel strain of coronavirus ("COVID-19") was declared a global pandemic by the World Health Organization in March 2020. COVID-19 has severely impacted many economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

In response to the pandemic, the Library was closed for a short period of time from March 15, 2020 to July 3, 2020. During the closure, the Library laid-off a total of twelve employees, once reopened all previously laid-off staff were rehired. The Library received reduced operational grants during the period as a response of government cut backs due to COVID-19. The board continues to monitor operations and will adjust as necessary in response to the pandemic.

The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, continue to remain unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Library for future periods.

4. Significant accounting policies

The Library applies the Canadian accounting standards for not-for-profit organizations.

Revenue recognition

The Library follows the deferral method of accounting for contributions.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and which may only be used for certain programs or in completion of specific work are restricted contributions and are recognized as revenue in the year in which the related expenses are incurred. Any unrestricted contributions are recognized as revenue when amounts are received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Memberships and fee revenues are recognized when the products have been provided to the customer or the services have been provided. Any amounts received in advance of all revenue recognition criteria being met are classified as customer deposits or unearned revenue on the balance sheet.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks, net of outstanding cheque's and deposits, and short term deposits with original maturities of three months or less.

Tangible capital assets

The Library owns the following tangible capital assets which have been expensed when purchased:

- library books
- audio visual materials
- furnishings and leasehold improvements
- computer equipment and software

All capital assets are expensed in the year they are acquired. During the year \$6,110 (2019 - \$1,113) was expensed in the statement of operations.

Contributed services

The Library benefits from the value of services donated by members interested in furthering its objectives. No amount is recorded for the year ended December 31, 2020 as the value is not readily determinable.

The contributions of the Library facilities and insurance thereon by the City of Camrose are not recognized in these financial statements.

Financial instruments

The Library considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in certain limited circumstances. The Library accounts for the following as financial instruments:

- · cash and cash equivalents
- · term deposits
- · accounts receivable
- · accounts payable and accrued liabilities
- accrued vacation pay

A financial asset or liability is recognized when the Library becomes party to contractual provisions of the instrument.

Financial assets or liabilities obtained in arm's length transactions are initially measured at their fair value. In the case of a financial asset or liability not being subsequently measured at fair value, the initial fair value will be adjusted for financing fees and transaction costs that are directly attributable to its origination, acquisition, issuance or assumption.

Financial assets or liabilities obtained in related party transactions are measured in accordance with the accounting policy for related party transactions except for those transactions that are with a person or entity whose sole relationship with the Library is in the capacity of management in which case they are accounted for in accordance with financial instruments.

The Library removes financial liabilities, or a portion of, when the obligation is discharged, cancelled or expires.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. Previously recognized impairment losses are reversed to the extent of the improvement provided the asset is not carried at an amount, at the date of the reversal, greater than the amount that would have been the carrying amount had no impairment loss been recognized previously. The amounts of any write-downs or reversals are recognized in net income.

5. Term deposits

Short term investments include term deposits with maturity dates at the time of purchase greater than three months and one year or less. They mature in April 2021 and carry an interest rate of 1.10%.

Accounts payable and accrued liabilities

There are government remittances payable of \$11,099 included in accounts payable and accrued liabilities at December 31, 2020 (2019 - \$11,736).

7. Deferred contributions

Deferred contributions represent unspent resources externally restricted by the donor. Deferred contribution balances are as follows:

| | 2020 | 2019 |
|-----------------------------------------------------------------------------------------------------------------------------|----------------------------------|----------------------------|
| Designated Donation - Snacks in the Stacks Battle River Community Foundation Alberta Health Services - Dementia Grant | \$ 11,312 12,537 21,480 | \$ 11,183 7,900 - |

8. Internally restricted net assets

The Board of Trustees have internally restricted the following amounts from unrestricted net assets to be used for the purposes noted. These internally restricted amounts are not available for other purposes without approval of the Board of Trustees.

| | 2020_ | 2019 |
|-------------------------------------------------------------------|-----------------------------------------|-----------------------------------------|
| Building maintenance Furnishings Hume Staff training | \$ 115,058 9,419 26,756 12,000 | \$ 115,058 9,419 26,756 12,000 |

| | \$ 240,856 | \$ 240,856 |

9. Economic dependence

Approximately 97% (2019 - 94%) of the Library's revenue is derived from grants received from various levels of government. The City of Camrose provides 67% (2019 - 71%) of the Library's revenue. The Library's continued viability depends upon maintaining a satisfactory grant level.

10. Local Authorities Pension Plan

Employees of the Library participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pensions Plan Act. The LAPP is financed by employer and employee contributions and by investment earnings of the LAPP fund.

Contributions for current services are recorded as expenditures in the year in which they become due.

The Library is required to make current service contributions to the LAPP of 9.39% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 13.84% on pensionable earnings above this amount. Employees of the Library are required to make current service contributions of 8.39% of pensionable salary up to the year's maximum pensionable salary and 12.84% on pensionable salary above this amount.

Total current service contributions by the Library to the LAPP in 2020 were \$31,547 (2019 - \$16,316). The current service contributions by the employees of the Library to the LAPP in 2019 were \$28,375 (2019 - \$14,658).

At December 31, 2019 the LAPP disclosed an actuarial surplus of \$7.91 billion (2018 - actuarial surplus of \$3.47 billion).

11. Financial instruments

The Library is exposed to various risks through its financial instruments. The following analysis provides a measure of the Library's risk exposures and concentrations at December 31, 2020.

(a) Liquidity risk

Liquidity risk is the risk that the Library will encounter difficulty in meeting the obligations associated with its financial liabilities. The Library is exposed to this risk mainly in respect of its accounts payable. The Library has determined that it is not exposed to a significant amount of liquidity risk with respect to its accounts payable. There has been no significant change in exposure from the prior year.
