Hello, Camrose and Area residents, businesses, and organizations,

My name is Channing MacDonald and I am the Interim Director at Camrose Public Library. My husband, Fraser, and I are delighted to join you, along with our dogs, Nima and Minnie-Moo, and cat, Moshu, in central Alberta after 10-years in Peace River, AB. There, I began working as a program coordinator for a Native Friendship Centre and ran a home-based business as a piano and woodwinds teacher. In 2018, I joined the Peace River Municipal Library & Art Gallery as Library Director, a position I held with passion and gratitude until 2024. I am excited to join your library team and to support your community and the wonderful services your library has to offer.

Libraries hold a special place in my heart, and I have seen the transformative impact a library can have for a person, a family, and a community. Helping to steward this community hub is a privilege I take great pride in and a responsibility I take very seriously. I am honored to join your library team in service to the Camrose and area community.

If you are a library user, I look forward to meeting you. If you are not, I welcome you to visit the Camrose Public Library with a heart and mind open to growth and connection. We are here, when you are ready.

Sincerely,

Channing S. MacDonald, MM, BM (She/Her)
