Halloween Extravaganza

The library is pleased to be partnering with the Sundre Museum and the Royal Purple #191 to host something a little different to mark the spookiest season of the year. **Saturday, October 29th** we'll be coming together to host a variety of Halloween themed activities at our first annual Halloween Extravaganza! We have something for people of all ages with all activities taking place at the Museum and nearby Elks Hall.

Carnival Games 3-5:00 PM

Kids and families can try their hand at a variety of carnival games and activities as they trick or treat their way through the museum grounds. Pick up a FREE ticket for this event at the museum or library so we can ensure we have sufficient candy and treats for participating children.

Snacks 5-6:00 PM

Take a break and stop in at the ELK's Hall for some light refreshments, hosted by the Sundre Royal Purple #191.

Haunted Village 6-8:00 PM

The museum will once again host a Haunted Village on the grounds of the Sundre Museum. Parental guidance is suggested. Come prepared to be frightened! Participant screams welcomed!

Entry to the museum for the Carnival Games and Haunted Village is by cash donation or non-perishable and non-expired food items for donation to Plus 1.

Adult Dance 7:00 PM -12:00 AM

The Royal Purple #191 will be hosting an adult dance at the Elks Hall. Tickets for the dance are \$20 each and can be purchased in advance at the Sundre Museum or Sundre Library (cash only please). All proceeds go toward the Community Bus. Tickets can also be purchased at the door.

From the Manager's Desk

Change is all around us at this time of year as the days are shorter, the weather is cooler, and the leaves are turning colour and falling to the ground. Here at the library, we've had some changes too. Our manager, Karen Tubb, retired in the middle of September. We will miss her infectious smile and welcoming presence, her kind, thoughtful and compassionate approach to people and situations, and her strong leadership throughout some challenging pandemic-filled years. We wish her an enjoyable retirement filled with special moments with her grandchildren and enough projects and adventures to keep her pleasantly busy.

With Karen's retirement has come staffing changes. Joy Willihnganz has moved from the front desk into the manager's office, and Shari Peyerl has taken on the role of programmer. She has lots of great ideas so watch for upcoming events sure to appeal to everyone in your circle of family and friends.

Alongside these changes are lots of things that haven't changed. We're sure you'll still find all the good things—helpful staff, friendly service, and warm welcomes—that you've come to expect when you come into your library. We look forward to seeing you soon!

For the 0-5 Year Olds

Planning is in the works for NEW program offerings for our littlest library patrons and their parents. Watch for details coming soon in our November newsletter. In the meantime, be sure to stop in and see our new shelving for children's books, purchased through a generous grant from EQUUS and the Friends of the Library Society. This shelving allows us to expand our excellent collection of children's books. It will also allow us to better showcase specially selected collections of books on themes such as animals, space, and transportation. Watch for new themed collections on display each month.
