Laney Kilpatrick has been renting her vacation home to strangers. But broken belongings and campfires that nearly burn down the house have escalated to bloody bones, hex circles, and now, terrified renters who've fled after finding blood and nail marks all over the guest room closet, as though someone tried to claw their way out...and failed. There are tensions and secrets, whispers in the woods, and before long, the discovery of a hand poking up from the earth.

"LITERATURE IS MY UTOPIA."

Emory is returning to the prestigious Aldryn College for Lunar Magic for one reason: to uncover the secrets behind the night that left her best friend, Romie, and seven other students dead.

But Emory has plenty of secrets herself, not least that her healing abilities have been corrupted by a strange, impossible magic, granting her power no one should possess.

Turning to the only person she believes she can trust, Emory enlists the help of Romie's brother Baz – someone already well-versed in the dangers of his own dark Eclipse magic.
