## FEATURES OF THE MONTH

- When a deadly attack forces Joan back into the monster world in 'Never a Hero' (2023), she finds herself on the run with Nick, as Aaron closes in. Torn between love and family and monstrous choices, Joan must find a way to re-gather her old allies to face down the deadliest of enemies, and to save the timeline itself.
- Petra sees no reason to cede her wealth and freedom to any man now that the love of her life is gone. But when ballroom gossip suggests that a longtime friend has died of a fit due to her 'melancholia' while in the care of a questionable physician, Petra vows to use her status to dig deeper--uncovering a private asylum where men pay to have their wives and daughters locked away, or worse. Give 'Act Like a Lady, Think Like a Lord' (2023) a try!

Ever since she was an orphan taken in by the order, Reed has wanted to be an Aristene. Now an initiate, just one challenge stands in her way: she must shepherd her first hero to glory on the battlefield. Succeed, and Reed will take her place beside her sisters. Fail, and she'll be cast from the only home she's ever known.

Nothing can stop Reed—until she meets her hero, Hestion, a fiery and infuriating warrior. What begins as an alliance becomes more, and as secrets of the order come to light Reed begins to understand what becoming an Aristene may truly cost. Battle looming, she must choose: the order and the life she had planned, or Hestion, and the one she never expected.
